The charges in this guide were correct at the time of printing (May 2012) but remain subject to change. For your own interest, please seek confirmation of the prevailing charge related to the service you need. These charges are applicable only to accounts maintained in Thailand with The Hongkong and Shanghai Banking Corporation Limited, which reserves the right to introduce charges not included in this guide. For charges which are not mentioned in this guide, please refer to the relevant promotional materials or Corporate Tariff Structure (Guide to General Bank Tariffs for Corporate Customers).*

*Please note that foreign currency account charges listed in Thai Baht are payable in the appropriate foreign currency in the equivalent amount. Payment of foreign currency notes is subject to availability. The charges for remittances do not include any charges that may be imposed by overseas banks.*
